

Flight Instructor Open Forum - Hosted by Pacific Coast Flyers & FAASTeam

FAASTeam Flight Instructor Open Forums provide an opportunity for Flight Instructors, Ground Instructors, Designated Pilot Examiners, and the FAA Safety Team (FAASTeam) to meet and discuss one or more of the Top 10 Causal Factors in General Aviation Accidents at each of the Open Forums. In this Forum, we will discuss how to prepare pilots for unexpected situations. We hope you will bring and share your ideas and techniques for training emergencies and other critical events.

Directions: The meeting will be held at the Palomar Airport Administration Building which is the first structure on the left as you enter the airport property. Please proceed past the building to the main parking lot which is down a short grade on the left.
